This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

**EN 10088-5:2009**

under system 2+ are applied and that

**the factory production is assessed to be in conformity with the applicable requirements.**

This certificate was first issued on 25 June 2018 and will remain valid until 24 June 2023 as long as neither the harmonized standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.
