RoHS regulation - Attestation of conformance for Ugitech articles in stainless steel and alloy

It is hereby declared that all the stainless steels and alloys produced by Ugitech are

- In conformity with all the requirements of the Regulations and European Union Directives applicable to stainless steel and alloys products: **2011/65/EU "RoHS" Directive** dated 8/06/2011 "Reduction of the use of certain Hazardous Substances in Electric and Electronic Equipment", replacing 2002/95/EC Directive, **including the substances of RoHS3 Directive 2015/863 / EU of 31/03/2015.**
- Have a maximum concentration threshold <0,1% (0,01% for Cadmium)

If need be, Ugitech will immediately inform you of any modification of his products due to implementation of the regulations.

For all due intents and purposes
